

2021

Internship

Global Student Reporters & Researchers

Barun ICT Research Center is inviting student representatives from across the globe with a passion for developing positive values in ICT, AI, and Big Data

Join Our Team!

What do you do?

- You write articles about Global ICT issues for the Barun ICT Newsletter & Global News
- You engage in cutting-edge ICT research projects and participate in events

How can you join us?

- Send your CV and cover letter (free format, no word limit) by email, to gsrr@barunict.kr
- Once your documents pass the screening process, you will be called for an individual interview

Who can apply?

- If you are international undergraduate or graduate students who are strongly interested in global ICT issues
- If you can write news and research paper articles in English
- Then do not hesitate to apply!

What can you acquire from this experience?

- You can receive up to 600,000 KRW scholarship per semester
- You can experience the opportunity to have your articles published in the Barun ICT Newsletter & Global News
- You can receive the Global Student Reporters & Researchers Certificate from the Barun ICT Research Center, Yonsei University
