

2022 Spring Recruitment ~03/13

Barun ICT Global Student Reporters & Researchers

Barun ICT Research Center is inviting students from across the globe with a passion for developing positive values in ICT, AI, and Big Data.

What do GSRR do?

Global Student Reporters and Researchers write articles about Global ICT issues for the Barun ICT Global Newsletter.

You will also engage in cutting-edge ICT research projects.

In addition, you will have opportunities to participate in international events!

How can I join? 😊

Please send your CV and cover letter to gsrr@barunict.kr by March 13th.

Who can apply? 🙋

Any international undergraduate or graduate students can apply! 👍

What can I acquire from this experience? 😎

You can publish in the Barun ICT Global News and research paper publication.

You will also receive up to 900,000 KRW in scholarship per semester.

And you will get a GSRR certificate! 🎉

Great:) I will apply!
